Building Communities. Rebuilding Lives.

## A Special Thank You

This is a special card written by a six-year-old in our Supportive Housing New London program. Dawn Parker, Project Developer for The Connection, holds monthly drives with organizations she belongs to and with her friends. This card was the result of a friend of Dawn's donating clothes to our program. When Case Manager Lauren Vumbaco arrived at the house after having delivered the clothes previously, Jadelyn came running down the stairs with a large thank you card to pass on to the woman who had donated the clothes for her.

"She was so happy to have new clothes to wear to school," said Vumbaco

*The donations that are made make a world of difference to those who receive them. So thank you to all of you for thinking about us and all of those we serve.*

## The Connection's Second Annual **BENEFIT GOLF OUTING** Monday, October 5, 2009 • Cromwell, Connecticut

Gather a foursome and join us at beautiful, challenging and award-winning **TPC River Highlands**, the site of the PGA® Travelers Championship.
