2024 ANNUAL REPORT

Building a Brighter Future, Together

A Message from Lisa DeMatteis-Lepore

PRESIDENT & CEO

As we reflect on the past year, I am filled with immense pride and gratitude for the remarkable achievements we have accomplished.

Our theme for this year's annual report, "Building a Brighter Future, Together," perfectly encapsulates the **spirit of collaboration and innovation that drives our agency forward** and acknowledges that no one organization can do this work alone.

A Message from **Lisa DeMatteis-Lepore**

PRESIDENT & CEO

The inspiration for our 2024 Annual report is our newly formed affiliation with **Prime Time House**, which will enable us to expand our reach and impact even further.

The affiliation is expected to enhance the overall impact of both agencies by leveraging their shared focus on mental health, experience with similar populations, and complementary services.

A Message from Lisa DeMatteis-Lepore

PRESIDENT & CEO

In 2024 we have successfully opened two new programs that will provide services to women returning to their communities from incarceration and substance abuse treatment. Additionally, we have **increased the number of people served by 11%**, and secured funding for major technological upgrades across the agency. These accomplishments are a testament to our unwavering commitment to improving the lives of those we serve and enhancing our operational capabilities.

Looking ahead, we are more determined than ever to build a brighter future.

Our vision is clear: our success has always been built on the foundation of collaboration, innovation, and a shared vision for a brighter future.

Together, we can achieve greatness and make a lasting impact on the world.

A Message from **Lisa DeMatteis-Lepore**

PRESIDENT & CEO

None of this would be possible without the unwavering support and dedication of our employees, partners, clients, donors, and supporters.

Your hard work, collaboration, and trust have been the cornerstone of our success. I extend my heartfelt gratitude to each and every one of you for your contributions and commitment to our shared vision.

As we move forward, let us continue to work together, inspire each other, and build a future that is brighter and more prosperous for all. Thank you for being an integral part of our journey.

Warmest Regards,

LISA DEMATTEIS-LEPORE
President and Chief Executive Officer

Stories of Our Achievements

STORIES OF OUR ACHIEVEMENTS

Transforming Lives

CHERIE'S JOURNEY TO A BRIGHTER FUTURE

Cherie's story begins in 2011, when **she had her first child right out of high school**. As an honor roll student and captain of a cheer squad, she graduated with her hairdressing license and had a promising future ahead.

STORIES OF OUR ACHIEVEMENTS

Transforming Lives

CHERIE'S JOURNEY TO A BRIGHTER FUTURE

However, postpartum depression and the onset of bipolar disorder marked the beginning of a decade of darkness. Cherie turned to drugs, leading to separation from her son, homelessness, and a series of traumatic experiences.

Despite the challenges, Cherie found the strength to seek help and eventually found The Connection. After spending six months in **Coley House**, one of The Connection's Women in Recovery Support Programs, she was admitted to the **Supportive Housing for Families** program in July 2023.

Family Support Specialist Jean Johnson played a pivotal role in Cherie's journey. Jean helped Cherie find an apartment two blocks from her younger daughter's daycare, ensuring that Cherie had a stable and convenient living situation. Jean's support and advocacy made a significant difference in Cherie's life.

STORIES OF OUR ACHIEVEMENTS

Transforming Lives

CHERIE'S JOURNEY TO A BRIGHTER FUTURE

“Jean genuinely cares and she has my best interest in mind. Always. I’ve never really had that anywhere else and it made a big difference **knowing I have someone I can go to,**” Cherie shares.

Transforming Lives

CHERIE'S JOURNEY TO A BRIGHTER FUTURE

Throughout her journey, Cherie faced numerous challenges, but Jean Johnson was always there to listen and provide support. During their visits, Jean would sit and let Cherie express her concerns, offering a **compassionate ear and practical solutions**. This level of personalized support was something Cherie had never experienced before, and it played a significant role in her recovery and stability.

Jean says about her work,

“I believe in empowering my clients with the knowledge and tools they need to succeed independently. For Cherie, and all those I work with, I strive to equip them with the resources and skills to not only reach their immediate goals but also maintain long-term success.”

STORIES OF OUR ACHIEVEMENTS

Transforming Lives

CHERIE'S JOURNEY TO A BRIGHTER FUTURE

Cherie took great pride in decorating her new home and maintaining it as a clean and welcoming space. This newfound stability allowed her to secure **full-time employment as a Human Services Associate and Job Coach for adults with disabilities**. Today, Cherie is 31 months clean and nearing the end of her time with the Supportive Housing for Families program. While testifying at the Appropriations Committee Public Hearing in early 2025, Cherie emphasized the need for more support and resources for single mothers, especially those in recovery.

Cherie's story is a testament to the power of community support and the impact of dedicated professionals like Jean Johnson. Together, they have built a brighter future, not only for Cherie but for her family as well.

ABDIEL'S TRANSFORMATION

Abdiel's early years were fraught with challenges. He was involved in gangs and struggled with drug addiction, which led to multiple incarcerations over the past 40 years. However, six months ago, **Abdiel's life took a significant turn when he was released from jail and found himself at Cohegan House**, a community justice program at The Connection. It was here that he met **Shareah Bree**, a dedicated program manager who played a pivotal role in his transformation.

STORIES OF OUR ACHIEVEMENTS

Building a Brighter Future with Community Support

ABDIEL'S TRANSFORMATION

Shareah's unwavering support and compassion were instrumental in Abdiel's journey. Abdiel faces numerous medical issues, including diabetes and the aftermath of being shot six times. He found solace in Shareah's care, and she ensured that he was able to access the medical appointments and procedures he needed. She helped him navigate the complexities of his disability, ensuring he had the necessary documentation for SSI assistance.

Abdiel's gratitude for Shareah's efforts is palpable, as he recalls her dedication to his well-being and her ability to make him feel valued and supported.

STORIES OF OUR ACHIEVEMENTS

Building a Brighter Future with Community Support

ABDIEL'S TRANSFORMATION

Abdiel's relationship with Shareah extended beyond medical appointments. She became a confidante; someone he could trust and open up to about his past. Abdiel's emotional connection with Shareah is profound, as he often found himself tearing up during their conversations. **Shareah's belief in Abdiel's potential and her encouragement to reconnect with his family were transformative.** Abdiel now speaks to his children daily, and this renewed bond with his family has brought immense joy and purpose to Abdiel's life.

Building a Brighter Future with Community Support

ABDIEL'S TRANSFORMATION

Currently, Abdiel resides at **Believe In Me Empowerment Corporation** in New Haven, CT. He continues to work with **Project Longevity**, a community resource that has been crucial in helping Abdiel find housing and employment opportunities.

Abdiel's medical issues have made it challenging for him to work, but Project Longevity's support has been helpful. They are assisting him with finding part-time job opportunities and have resources to help him secure stable housing.

Building a Brighter Future with Community Support

ABDIEL'S TRANSFORMATION

Abdiel's determination to build a brighter future is evident in his commitment to these programs and his willingness to embrace change.

Shareah's relationship with Abdiel is a shining example of the impact that dedicated individuals can have on someone's life. Her involvement with Project Longevity has extended beyond Abdiel, as she continues to refer clients to the program and collaborates with their team to provide comprehensive support.

STORIES OF OUR ACHIEVEMENTS

Building a Brighter Future with Community Support

ABDIEL'S TRANSFORMATION

“We view our work with programs like Cochehan House as building a bridge to best support people as they transition from incarceration to the community,” Kate Gunning, Statewide Coordinator for Project Longevity, says.

“With the right support and appropriate resources, returning citizens can and do make better choices, and many people are able to build careers for themselves and their families.

They are able to remove themselves from the streets and be something different and more than they ever imagined they could be, while also giving back to the communities they may have caused harm to. Project Longevity assists holistically with employment and pre-apprenticeship training opportunities, mental health support, basic needs, stable and secure housing and helping people to nurture their relationships with family.”

STORIES OF OUR ACHIEVEMENTS

Building a Brighter Future with Community Support

ABDIEL'S TRANSFORMATION

Abdiel's story is a powerful reminder that building a brighter future is a collective effort. It requires the support of compassionate individuals like Shareah, the resources provided by programs like Project Longevity, and the determination of individuals like Abdiel to embrace change and strive for a better life.

Abdiel's journey is a testament to the transformative power of community and the importance of working together to create a brighter future for all.
